Re: Justice and Recompense

The attached summary of civil rights criminally violated demonstrates how Arkansas Attorney Thomas Hyde, Attorney Thomas Mars, Attorney David Blackerby along with Julie Martin instead of entering into a contract with my Company as the Executive Committee directed, hired Lewis and Roca a law firm in Phoenix Arizona to attempt to stop me from signing a Contract with Wal-Mart Stores, Inc. – as you will see by any means necessary.

You will read how Attorney Craig Phillips and his superior former Chairman Jose Cardenas of Lewis and Roca, solicited governmental officials in Arizona – Sheriff Joe Arpaio, Commissioner Judge Weihl and other Judges, many police officers, Doctors and others to use the authority of their positions to kidnap, drug, torture and harass me in the hopes that I would give up my endeavors to begin working for Wal-Mart Stores, Inc.

The attached Summary is a more expanded version than what was prepared and distributed in September, 2010 to various regulatory agencies as the previous Report focused primarily on Sheriff Joe Arpaio; this present Report is more detailed outlining the functions each major person played in railroading me into being illegally arrested and drugged through a “chain conspiracy – a single conspiracy in which each person is responsible for a distinct act within the overall play.. All participants are interested in the overall scheme and liable for all other participants’ acts in furtherance of that scheme”, to render me unable and unavailable to work with Wal-Mart Stores, Inc.

I am expecting that in the spirit of defending liberty and pursuing justice these people who have used the authority of their positions abusively to hurt, harm and injury will be prevented from doing so ever again; for I am expecting Gods justice to run down as waters and His righteousness as a mighty stream. He is executing justice upon the heathen in such fury and anger as has not been heard.
