

Court Contracts

The following courts have primary provider contracts still in place. If you have a potential student with a ticket from one of these courts, you must refer the student to the school having the contract. When a contract expires you will be notified and you may begin to do business with that court.

If you are a school with primary provider contracts in place you are still required to follow the new reporting requirements contained in ACJA § 7-205.

Court Number	Court Name	Contract Schools	Contract Range Beginning to Expiration Date
0765	Paradise Valley Municipal	Arizona Chapter National Safety Council	Effective: 06/30/2007 Thru 06/30/2013
