

## **COURT PERSONNEL**

### **Statewide Narrative Summary**

The statewide summary reflects all court positions as of June 30, 2007, including positions funded from both primary and non-primary budget sources. The information was reported by the individual courts in response to the Supreme Court personnel survey distributed electronically in August 2007.

The total number of persons working full-time in the Arizona judicial system increased from 9,628 in FY 2006 to 9,862 in FY 2007, a 2.4% increase. The courts employed an additional 1,223 part-time personnel, up 11.9% from 1,093 in FY 2006.

The most notable increases in full-time personnel appear to be in the position of probation/detention officer supervisor (172 to 216) and court general support (199 to 266). The largest decrease in full-time personnel appears to be in the position of court support staff (745 to 653).

The courts also had the services of 1,780 regular volunteers, a decrease of 8.6% from the 1,947 in FY 2006. Volunteers include attorneys, court reporters, teachers, mediators, information desk personnel, Court Appointed Special Advocates, Foster Care Review Board members, and other professionals and non-professionals who serve as on-call magistrates.

Additionally, the courts utilized 101,814 hours of temporary personnel assistance. This is equivalent to 12,726 person-days, or over 48 full-time employees (at 260 working days per year).

**Some of the FY 2006 figures may not correspond to figures published in last year's Data Report due to corrected information received subsequent to publication of the Report. Personnel reports received from courts are checked for anomalies, but are not audited by the Supreme Court.**
