

## Support Access to Justice through the Arizona Charitable Tax Credit

Roughly 25% of Arizonans have an income stream that qualifies them for free civil legal aid services. But, for every 3 people in Arizona who realize they have a legal problem and contact a legal aid office, **2 must be turned away because of a lack of resources.**

## YOU CAN DECIDE HOW YOUR TAX DOLLARS ARE SPENT

Charitable Tax Credit donations directly reduce the amount you owe and let you direct where your funds go!

You can help more people receive services by designating where \$400 (single) or \$800 (married filing jointly) of your taxes owed go! **Give to an approved legal aid agency** (see other side) and the amount you give will reduce the tax you owe.

**That simple.**

For more information on the Charitable Tax Credit visit the Arizona Department of Revenue at [www.azdor.gov](http://www.azdor.gov). This credit is in addition to the school tax credits. Please consult your tax advisor for details
