O R D E R

On March 27, 2014, Petitioner Miguel Alvarado Ramirez, Sr. filed a petition for review in the Arizona Court of Appeals. Through three orders, the court of appeals dismissed the petition for review as untimely. (Order re: Dismissal, filed 04/02/2014; Order re: Late Filing, filed 04/29/2014; Order re: Motion for Reconsideration, filed 05/08/2014.) After Petitioner filed a petition for review in this Court, the State conceded that Petitioner's petition for review in the court of appeals should be considered to be timely. This Court has reviewed the matter and agrees with the State's concession.

Upon consideration,

IT IS HEREBY ORDERED granting Petitioner's petition for review.

IT IS FURTHER ORDERED vacating the three orders in the court of appeals that dismissed the petition for review that Petitioner filed in that court on March 27, 2014.

IT IS FURTHER ORDERED remanding the case to the court of appeals for consideration and disposition of the petition for review that Petitioner filed on March 27, 2014.

DATED this 6TH day of January, 2015.
