Applicant Meyer seeks an extension of the five-year requirement for admission to the practice of law after sitting for the bar examination under Rule 37(a), Rules of the Supreme Court. The Committee on Character and Fitness filed a response and objects because Meyer did not provide any specific facts to support an extension. Upon consideration of the motion and response,

**IT IS ORDERED** that the request to extend the five-year requirement under Rule 37(a) is denied without prejudice to Meyer re-filing the request by December 1, 2016, with additional information on the reasons for the request and the status of his application.

DATED this 20th day of September, 2016.
