NON-FACILITATED LEARNING)
_____)

The Arizona Code of Judicial Administration (ACJA) § 1-302.E.5 limits “non-facilitated learning” or an individual study program conducted without the aid of an instructor, facilitator, or active co-participants, to eight credit hours toward the annual judicial education requirement.

At the request of the Committee on Judicial Education and Training (COJET) to take advantage of improved eLearning technology and accommodate rural communities with less access to facilitated training, a temporary increase of allowable non-facilitated learning credit hours is needed.

Therefore, pursuant to Article VI, Section 3, of the Arizona Constitution,

IT IS ORDERED that the limit of 8 credit hours for non-facilitated learning programs that may be used to meet the annual continuing judicial education requirement as described in ACJA § 1-302 be increased to 10 credit hours for calendar year 2013. All other policies, standards, and approval mechanisms described in § 1-302 remain in force.

Dated this 01-02-13 day of January, 2013.
