Extegrity, Inc. provides computer based testing services for the Arizona Attorney Bar Examination.

Laptop registration is open for a two week period and begins approximately one month before each examination. Every exam applicant is given notice when this registration period begins and closes. It is your responsibility to register, pay for and download the required software from the Extegrity website during registration.

The Extegrity software used during examination is **Exam4**, at a cost of **\$125**. This amount is paid directly to Extegrity during laptop registration. **DO NOT** send this amount to the Supreme Court. Software must be properly downloaded, registered and installed prior to the examination date, and must reside on the computer brought to the exam.
