

School Improvement Action Plan FY 2012

Coconino County Regional Accommodation
School District #99

Fiscal Year 2011 Goals

- Improve student's knowledge in math.
- Implement a data collection system for math, reading and writing.

Accomplishment: Math goal met.

Software goal not met.

2011 Math Goal

Spring 2010: 100% Fell Far Below the Standard

Spring 2011: 55% Fell Far Below the Standard

10% Approached the Standard

25% Met the Standard

5% Exceeded the Standard

5% Non-valid.

2011 Data Collection Goal

- Not met.
- Two contributing districts use PLATO for credit recovery.
- To ease transition and increase credit recovery rates, we adopted PLATO.
- Educators rely on informal assessments to determine student's academic levels.

Fiscal Year 2012 Goals

Goal 1:

Implement a comprehensive data collection system for math, reading and writing.

Goal 1 Action Steps:

- Educators will research valid software programs.
- Either CCRASD or CCJDC will purchase software.
- Educators will incorporate data in lesson planning and student assignments.

Fiscal Year 2011 Goals

Goal 2:

Create a thematic standards based cross-curricular curriculum.

Goal 2 Action Steps:

- Educators will meet daily to re-evaluate student's strengths and weaknesses regarding previous day's objectives.
- Educators will decide how best to delegate hands-on vs. written vs. visual vs. auditory assignments.
- Educators will meet state standards and modify existing curriculum so as to reinforce and review all topics in all classes.

Final Thought

*Success, like happiness and
perfection is a direction,
not a destination.*
