Bar No. 012637)

Respondent.)	

Pursuant to Rule 56(e) of the Rules of the Supreme Court, the Hearing Officer reports that he has reviewed the Tender of Admissions and Agreement for Discipline by Consent (Exhibit A, attached hereto), and the Joint Memorandum in Support of Tender of Admissions and Agreement for Discipline by Consent (Exhibit B, attached hereto). Both filings are sufficiently detailed in their presentations so that an opinion may be formed as to their content. By clear and convincing evidence, the State Bar has alleged and proven the charges against the Respondent. He has voluntarily admitted the violations and accepted the sanctions proposed by the State Bar. The admitted charges in their entirety are sufficiently serious to justify the agreed-upon two year suspension followed by a two year probationary period, restitution, and payment of the costs and expenses of the disciplinary proceedings. The recommended sanctions and proportionality are supported fully by the American Bar Association Standards for Imposing Lawyer Sanctions and cited Arizona case law. Due consideration has been given to aggravating and mitigation factors as required in such matters.
