

Adult Probation

ADULT PROBATION Narrative Summary

DIRECT SUPERVISION is the number of probationers sentenced in Superior or Limited Jurisdiction Court residing in each County for whom direct supervision is being provided. These reports summarized statistics for probationers that are directly supervised by each county. Probationers indirectly supervised by each county are not counted because these probationers may already be counted in other Counties and would cause these probationers to be double counted for statistical purposes.

There are **three pages** of tables for statewide and county adult probation activity. The first page is the **Total Adult Probation (Standard and Intensive) Case Activity**, the second covers **Standard Adult Probation** alone, and the third only **Intensive Adult Probation**. On each page there are **three tables**. The first table concerns the general **Probation Population** (active and absconders), the second table concerns **Probationers with Petitions to Revoke**, and the third table summarizes **Additional Probation Activity**.

There were a total of 20,929 individuals added to the active **standard and intensive probation** population, as well as the administratively monitored probation population during FY 2009. As of the end of FY 2009, there were 38,403 active standard and intensive probationers. A total of 16,677 petitions to revoke were filed during the fiscal year. Of all the probation violation matters brought back before the court in FY 2009, dispositions were achieved in 13,139 cases. Standard and intensive probationers paid \$42,814,633.20 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 30.4% of the money collected. Intensive probationers paid \$1,268,345.14 in state and federal income taxes. Note that absconder statistics are not reported in these statistics.

There were 20,081 individuals added to the active **standard** probation population in FY 2009. During the fiscal year, 14,817 individuals were terminated from standard probation. On June 30, 2009, there were 36,120 active standard probationers. A total of 14,295 petitions to revoke were filed on standard probationers during FY 2009. Of all the standard probation violation matters brought back before the court, dispositions were achieved in 11,386 cases. Standard probationers paid \$40,917,933.01 in restitution, reimbursement, fines, surcharges and fees. Restitution accounted for 30.8% of the money collected.

During FY 2009, 848 individuals were added to the active **intensive** probation population. Over the course of the fiscal year, 1,550 individuals were terminated from intensive probation. At the close of the fiscal year there were 2,283 active intensive probationers. A total of 2,382 petitions to revoke were filed on intensive probationers during FY2009. Of all the intensive probation violation matters brought back before the court, 1,753 reached disposition. Intensive probationers paid \$1,896,700.19 in fines, restitution and other monies. Restitution accounted for 23.1% of the money collected.
