VERIFICATION LETTER

Dear [REDACTED],

This documentation is to refute the information that is populating on your public records for case number [REDACTED]. The process to remove something from a criminal background check is fairly similar to the process of removing inaccuracies from a credit report. The removal process can generally take up to 30 days, due to the nature and scope of this matter. Reparations will be made as soon as possible, and I am extremely apologetic for any inconvenience this may have caused. Feel free to call our office at [REDACTED] for any questions, concerns or updates.
