STATEMENT OF INTEREST TO SERVE

Beginning in 1997 and continuing to the present, I have had the opportunity to serve on many city and other civic boards and understand the requirements demanded of each member. It has always been my practice to provide reasonable, impartial, and fair decisions while complying with the guidelines and provisions outlined in State and Federal laws and regulations.

It is also my belief that individuals who possess experience in civic decision making processes offer their services for the betterment of the State in which they reside.

REASON FOR CHANGE OF POLITICAL AFFILIATION

I have been a registered Republican since 1965, and I have always considered that all political parties have good and bad ideas when it comes to governing this country. There have been times when I voted for Democratic Presidents, Members of Congress, and State Governors.

I recently elected to change my party affiliation from Republican to Independent since I believe that each political party brings something to the table when attempting to steer the country in the right direction. I also wanted the flexibility to direct my efforts to any political candidate that has this country's best interest in mind regardless of his/her party affiliation.
