

Arizona Lottery presents eleven Foster Children and CASA volunteers Cardinals game tickets.

Three lucky winners were chosen to attend the Cardinals' game against the San Francisco 49ers by entering a contest to promote CASA! Contestants who answered this multiple choice question correctly were entered to win (HINT: More than one answer was correct!). Contestant were asked if CASA volunteers are -

- A) Everyday people
- B) Appointed by a judge
- C) Spokespeople for abused and neglected children in court
- D) All of the above

Contest winners were selected and notified via Facebook Messenger. In two days, CASA of Arizona's Facebook page received an activity increase of **1262**.

Additionally, 11 CASAs and their appointed children received Arizona Lottery Suite tickets to the Cardinals' game against the San Francisco 49ers, and 11 more received Suite tickets to the Cardinals' game against the St. Louis Rams.

The Arizona Lottery gives back millions to the state each week. CASA is so grateful to be a beneficiary!
