Re: Case No. I do not have one yet! But I need one.

Dear Commission on Judicial Conduct:

I am having terrible problems here in [redacted] That I had hoped to resolve by following the judicial rules for justice. Unfortunately, it has only gotten worse. By what power does a Judge of the Court, quash a restraint order, that has a man, that is stalking me on his motorcycle and carrying a gun? Judge [redacted] and Judge [redacted] in the Magistrate Court are deaf to my pleas for protection.

I HAVE NEVER QUASHED MY COMPLAINT, [redacted]
It was my understanding that my restraint order was good for one year OR, until I ask that it be quashed? My restraint order was quashed without my knowledge and without my agreement. I telephoned the [redacted] Magistrate Court and asked the court secretary to ask both Judges why my order of restraint and protection was quashed? I was told, because [redacted] has not made any mistakes, since the restraint and protection order and aggravated harassment was made?

What does that mean? This man is stalking me, with a loaded gun. Do I have to die, before someone takes this report serious? The Police, Sheriff, and the Magistrate Court have refused my right to Public Records, and get [redacted] Criminal Records? Then why is it called Public Records?

Please, help me. I look for justice. I am a [redacted] I am retired, and I am on heavy medication. [redacted] Is a man out of control and no one wants to stop him?. I have been living in fear, for my life, since [redacted] I have to run for my life. This is a violent man. I do not know what I will do, if he comes to my house?

Thank you
