[Redacted]

Dear Commission:

I want to file a formal complaint against Judge [Redacted] for allowing Attorney [Redacted] to bias him in my court case. Not only did Attorney [Redacted] prevent important issues from coming forward, she lied to the court in her new pleadings. I believe Attorney [Redacted] is getting even with me for filing a State Bar complaint against her in [Redacted] which she complained to Judge [Redacted] about in the [Redacted] hearing.

Attorney [Redacted] has taken away more of my rights with my daughter and the court is condoning these lies. I beg you to look into this matter because most of my documentation has fallen on deaf ears and I'm being financially overburdened with multiple court orders that I'm having to prioritize because I'm losing the ability to pay for my home. I believe I'm being set up to fail with each new court order.

Judge [Redacted] has dismissed my attorney, while Attorney [Redacted] is still getting paid to take away my rights.

I came to your court seeking help and relief from a bully of an ex-husband but the court has sent my daughter out of state completely. How does the court know what is really happening for my daughter in California?

Since Judge [Redacted] has dismissed my attorney who I paid almost 3,000.00 to help me, I am begging for a public defender to help me finish this case or let it be heard by someone else. I also paid an attorney in California 3,000.00 because I was told that my daughter has been out of Jurisdiction too long but Judge [Redacted] retained jurisdiction and caused me to lose all that money.
