---

Disposition of Complaint 07-131

---

Complainant: No. 1310410203A

Judge: No. 1310410203B

**ORDER**

The commission reviewed the complaint filed in this matter and found no ethical misconduct on the part of the judge. The issue raised is legal or appellate in nature, and the more appropriate remedy would have been to appeal the judge's decision to a court with proper jurisdiction.

The commission is not an appellate court and cannot change a judge's decisions; therefore, the complaint is dismissed pursuant to Rules 16(a) and 23(a).

Dated: July 3, 2007.
