COMPLAINT AGAINST A JUDGE

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

I am not sure about this whole complaint situation but I believe that this case was mishandled if I'm understanding this law I do not know if this is what to do but I am hoping that you can explain to me. Maybe this is not so much a complaint but the judge did this case unethical due to the fact that he should uphold the law. No one will talk to me so maybe this can help this situation

To Whom it May Concern:

I am looking for someone to help answer this question.
When someone tampers with physical evidence whether it be a regular citizen or someone that works and has taken a vow to uphold the law: Should each individual be held accountable for their actions? In the state of AZ is tampering with physical evidence a class 6 felony?

Enclosed is the law regarding tampering with physical evidence, also here is a time line regarding a case in 2004:

- Defendant indicted-not guilty
- Murder victim body was cremated
- Defense found out body was cremated
- Defendant charged with tampering with physical evidence.
