is involved in coercing me into filing a Motion for self  
representation on behalf of attorney, which violate  
my sixth amendment right to counsel, facts before judge  
Court, then on him & judge attempt to change  
the hold reason, we were before the court for. I've a standing waiver  
of counsel against filed  
State Bar of Arizona, fact plus I've filed a Complaint with  
about another judge who was on same court as when on to talk judge  
job name, which had nothing to do with the that lost his  
reason we were there for period, went on to tell  
there a pool violation in this case standing before the court & CR  
their some very suspicious when a judge  
allow's an attorney to go into area not concerning the matter before  
him, needs investigation No question does not sound right nor  
small right.
