This started in _____ There was a error made
by a court reporter in my _____ court hearing
which goes by The same case number. Because of
this issue and other "mistakes" made by _____; I asked
and received a court date to address these issues
and to contest a recall done by The state.
_____ had changed my arrears from \$9k to \$2k
to \$23k in a matter of months and I was upset

evidence of the arrears being wrong. When I
brought this evidence up the state said they were
not prepared and the judge would not allow me to
speak on this matter.

His calculation was \$689 for current support \$50 for arrears and \$2.25 handling fee which is \$741.25 a month!!! How does he expect me to live on \$333.75 a month and that's before taxes.
