### COMPLAINT AGAINST A JUDGE

Your name: \_\_\_\_\_

Judge's name: \_\_\_\_\_

Date: 3.14.09

**Instructions:** Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

(4/23/2008) I filed a Petition to see my sons, He set a date of 9.15.08 clearly throughout this case there were several violations of the 60 day rule. (9.24.08) Judge stated in no more than 2 weeks he would provide a court advisor to assist in this case as of 3.14.09 there has not been any one who has contacted me. He also set Temporary orders regarding the ODP with my children he stated to bring in proof that my children are not on my current open case, I provided the proof and he still has not ruled on the order although he said he would. He never answer any of the questions I asked during the motions. I couldn't get a call back from his office I left messages every week consistently to get some response and nothing.

I believe this Judge along with \_\_\_\_\_ and \_\_\_\_\_ have deliberately set out to violate my civil rights as well as my rights under the courts. I also feel that I am being penalized for being poor and black and that the Defendant is white and female.

Due to the nature of this case I don't feel that a fair trial is possible in the NorthEast court.
