to whom it may concern

I would like to file a formal  
complaint against Judge  
of Nat taking the precedent in consideration  
and being prejudiced in making  
his decision to dismiss my court  
case because I would not put up  
2500 to cover the Defents attorney cost  
when it was order to fill out  
an paper before going to court and  
the Defents attorney refused to  
meet with me until Friday before  
it going to court then tried to  
call me to set up something for Monday  
and Tuesday and Tuesday being court  
Day but the time that ~~he~~  
and the Judge implied that if it  
was court order then I needed  
to comply with the order the one  
time that I missed ~~the~~ A Deadline  
He Dismissed the case and was trying  
to make me go by the contract. But

not the Defendants And when  
the Defendant Attorney would file  
a motion it would get answered  
but when I would file A Answer  
or a motion it was ignored  
that it was even received and the  
judge indicated that the Ex's counter  
claim was not Dismissed However  
they never filed a counter claim  
if I dont get no help here it would  
be safe to say that there is no  
justice in the justice system I  
tell in the future it will conflict  
of instead with any dealing with the  
Supper courts
