COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-097

Complainant: No. 1439810971A

Judge: No. 1439810971B

ORDER

The complainant alleged that a superior court judge demonstrated bias against the plaintiffs in a lawsuit by granting the defendants' motion for a directed verdict. Both sides in the case were represented by counsel.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: June 26, 2012.
