I am filing this complaint against Judge _____
accusing him of abusing his powers and ignoring the
law in order to conceal serious crimes committed by
government officials, attorneys & judges.

This is detailed in the attached written complaint, with
2 attachments.

- Specifically, Judge _____ ~~denied~~ my civil rights
when he refused to allow me to have an attorney
at the September 26, 2011 hearing, stating
"you can represent yourself like 80% of the
other litigants in family court," then issued orders
very detrimental to me.
- After refusing to allow me to have an attorney, he
refused to explain to me the purpose of the hearing
and would not answer my question.
- After refusing to allow me to have an attorney
at the Sept. 26, 2011 hearing he tried to give me
legal advice that was contrary to that given by
a mental health professional.
- At the January 3, 2012 ^{hearing}, he ignored his responsibilities
as a judge and allowed my wife, who is healthy, educated,
and with a school age child to continue to have
the false notion that it is acceptable for her not to make
an effort toward independence, and rewarded her for this,
completely ignoring the law.
(Attach additional sheets as needed)
The motivation for his actions are discussed in the attached
documents.
