COMMISSION ON JUDICIAL CONDUCT

---

Disposition of Complaint 12-102

---

Complainant: No. 1440310701A

Judge: No. 1440310701B

---

**ORDER**

The complainant alleged that a justice of the peace improperly dismissed two garnishments and offered legal advice.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the electronic records of the two cases, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: June 26, 2012.
