**ORDER**

The complainant alleged that three superior court judges failed to properly consider his claims and motions.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judges engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, the commission found no evidence of ethical misconduct and concluded that the judges did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

**COMPLAINT AGAINST A JUDGE**

**Your name:**

**Judge's name:**

**Date:** May 27, 2012

**Instructions:** Use this form or plain paper of the same size to file a complaint. Attach additional pages, as needed. Please describe in your own words what the judge said or did that you believe constitutes judicial misconduct. To help us understand your concern, be specific and list all of the names, dates, times and places where the conduct occurred. Include only copies of original documents or court recordings that are relevant to your allegations. Print or type on one side of the paper only, and keep a copy of the complaint for your files.

1. This case first came to this very or court system on 19 May 2010 it was too larger the case to go to the small claims court. He came about because of items stolen by Ms. that were to be returned to me by a court order by the Hon. Judge

2. *August 18, 2010 the Hon. denied plaintiff's motion for and expedited hearing ( and on numerous other occasions).*
3. *Granted Defendant's motion for a more definitive statement.*
4. *It was later that I the plaintiff filed a motion for a more definitive statement that same judge denied by definitive statement. And on December 13, 2010 when I requested an explanation on January 14 a new judge JR denied me an explanation for the denial of my definitive statement.*
5. *On more than one occasion I have been denied court dates when requested.*
6. *I have filed contempt charges against the defendant for not meeting dates for filing papers and been denied*
7. *the court itself had even said that it even though the defendant Ms. one day of filing paperwork it was not going to hold the defendant in content.*
8. *This particular judge. Did everything he could to keep this case from going to court although I filed every file imaginable to get this case into the court room. He finally turned this case over to another judge when he retired.*

*This is been a total miscarriage of justice as first years allow the attorney on the other side to mail court dates and court paperwork to fraudulent names and address. And then when it was brought to his attention it was just blown off as though it was just well it must have been just a mistake and yet this particular case has only been brought to court one times so far in two years and never before this judge since he retired before it was brought the case.*

*Sincerely*

**COMPLAINT AGAINST A JUDGE**

**Your name:** \_\_\_\_\_

**Judge's name:** \_\_\_\_\_

**Date:** May 27, 2012

1. This case was passed to judge \_\_\_\_\_ as a result of Judge \_\_\_\_\_ retirement. His first action was to deny my request for explanation as to why the defendant got bigger motion passed for a more definitive statement where mine was denied and this was dated December 13, 2010.
2. The occasions and the dates are many to numerous to many to note of how many times I've requested contempt charges and request for court dates that have been denied or neglected by this judge.
3. *It appears that this judge is just as biased as the one before him that whatever the defense request they get. I finally made so many requests and so many demands that I finally got this case brought before this judge and brought into a courtroom.*
4. *I was admonished formally by this judge in front of the court and told that I did not know how the justice system worked. I told the judge I didn't know outworked and if this is the only way that I saw that I was going to get this case to be finally seen in the courtroom..*
5. *The judge's remarks were okay now that you have in the court room what is it that you want I stated that I wanted my stuff back and since it I obviously wasn't going to do that I then it currently needed to get at least part of the money for this stuff that had been stolen..*
6. *I also stated I wanted answers since the opposing attorney was evading me and not giving me any answers we then spent the court hours going through the counter claim getting the answers to each one of the questions of each one of the points in the counterclaim. It came down to the fact that the defendant had no case upon which put there counterclaim up on so instead of wanting out an Indian the case the judge made an outright statement that he considered this to be more of a divorce and that he thought it would be best if we would both just end it all and both walk away with nothing..*
7. *I told him I did not see just a point I saw that Ms. \_\_\_\_\_ told me for the stuff she had stolen.*
8. *The judge then decided that he saw what we were not going to come to a decision at that time and that he was not going to make that decision at that time.*
9. *So he was going to give me and the opposing attorney an opportunity to come to an agreement he gave us the date and told us to try to come to an agreement upon that date.*
10. *That date came and passed the attorney did not even try to come to an agreement.*
11. *The next thing I know were passed to a new attorney who is supposed to work as an arbitrator..*

Sincerely
