

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-186

Complainant: No. 1446310760A

Judge: No. 1446310760B

ORDER

The complainant alleged a superior court judge mistreated him during a hearing.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and listening to the recording of the hearing, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: September 7, 2012.
