COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-243

Complainants: No. 1450510163A

Judge: No. 1450510163B

CORRECTED ORDER

The complainants alleged a superior court judge had a conflict of interest, failed to rule on several matters in a case, demonstrated bias during a hearing, and improperly issued a temporary order against a non-party.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainants and the judge's response, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: January 15, 2013

I was not present this day of Sep 6, 2012.
I do know this is the marriage of

Start 4:30pm Temporary order hearing
It was ordered that I
have no contact with _____ and
2 boys _____ and Austin Lindeman minor
children. Father is entitled to have visitation
without Miss Young being present.
_____ needs to be reprimanded
she is bias and prejudiced she acted
improperly and lacks impartiality.
Judge _____ has no evidence that I
have harassed or endangered these
boys while in my presence or their
mother.
Judge _____ has worked on cases with
_____ father who is an X of the
sheriff's department in Maricopa county and
Courtney's brother who still works with the
sheriff's department.
It was brought to my attention by my husband
Michael that Courtney brought in a police
report from an incident that happened between
myself and my husband in June, 2012

(Attach additional sheets as needed)

that was a domestic violence incident.

There were no kids at home it was myself, [redacted], and my mother. All charges have been dropped, and there was alcohol involved.

[redacted] and myself have since stopped drinking and got married on July 2012.

[redacted] have both been to our home since the incident with no complaints from

[redacted] even sent me a friend Request via Facebook on 9/1/12 at 9:00 pm.

This was also brought to the judges attention and I myself have 3 kids and have not had a court order to stay away from them.

I honestly would like to know how this Judge can invade my constitutional right to defend my self and be bias towards me with out questioning me or having any facts to back up her judgement against me.

In my opinion her relationship with [redacted] father needs to be looked into and so dose this case she is not up holding the law.

I should not be court ordered to stay away from my step children.

If this case was about me why was I not subpoenaed?
