COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-333

Complainant: No. 1457310738A

Judge: No. 1457310738B

ORDER

The complainant alleged a superior court commissioner violated his constitutional rights by cutting him off and not allowing him to make a record.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the available electronic record, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: December 28, 2012.
