

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 13-069

Judge:	No. 1464510797A
Complainant:	No. 1464510797B

ORDER

The complainant alleged a superior court commissioner allowed a stale out-of-state warrant to hold him pending extradition to another state.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing all the information provided by the complainant along with the minute entries available online, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: April 26, 2013.
