COMPLAINT AGAINST A JUDGE

Your name:	Judge's name:	Date: 5/30/2013
words what the judge did tha times and places that will he documents. Print or type on	his form or plain paper of the same size to file a t you believe constitutes judicial misconduct. Be ilp us understand your concerns. You may attac one side of the paper only, and keep a copy of the if this was an honest court. He said Yes. Then they sided with the prose	e specific and list all of the names, dates h additional pages but not original cour the complaint for your files.
The evidence was all on a	a CD and they ignored it and charged me \$	500. The money is not the problem.
The problem is a dishor	nest court. The law is supposed to be wit	thout a reasonable doubt, isn't it?
The only doubt is their	competence to do their job. If the cour	t can't be honest, how can they
put anybody in jail? DPS e	ntrapped me. I thought entrappment was aga	inst the law. How can we have justice
when justice is corrupt	? My husband is a priest, he would be	honored to help them under-
stand what justice means. Or	r is it that the whole court system is dirty? How ca	an you help America if you are dishonest.
Don't be a thief, govern	nment doesn't like competition. You ne	ed to take judges their pedestal
They are not as righted	ous as the people they are judging. I an	n going to keep this up until I
can find a law abiding	citizen, you were first.
