**ORDER**

The complainant alleged two superior court judges conspired to prevent his appeal from being considered by the Court of Appeals.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judges engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judges did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: December 11, 2013.

To whom it may concern.

I would like to file a complaint on  
indoc and judge  
@ the Superior Court  
in County.

I filed a notice of appeal on  
the Court replied on  
saying that they received my motions  
and the transcripts on record will be  
provided and a public defender.

As you can see were in November,  
nothing. I filed a page motions to  
the Court requesting to see  
whats up and for them to order my  
attorney to contact me and  
my said basically that I need to  
file a notice of ! That they  
dont know anything about my !

There can be no doubt that judge  
and have a hand in  
tampering with evidence, again, or they  
enabled someone to do so! To keep  
an innocent person locked up. This is  
an atrocity! Pure Corruption!

I have filed enough complaints on  
them to show a pattern!

For the record, this is the second (2nd) complaint → filed on them in a week.

Feel free to do something. → its only tampering with evidence by a judge or court records. No big deal. Right?

Thank you.

Sincerely

To whom it may concern,

I would like to file a complaint  
on judge \_\_\_\_\_ and  
Chief \_\_\_\_\_ with the  
County Superior Court.

Due to these judges actions, or lack of  
them in the past. To their cover up of  
the crimes committed against me, the  
violations of my rights, the planting,  
tampering, and destroying of evidence  
by the corrupt detectives and prosecutor  
in my case.

Their actions, or lack of them are still  
echoing till this very day!

officials, I'm sure under the  
directions of Det. \_\_\_\_\_ as  
well as but not limited to prosecutor  
\_\_\_\_\_ have not allowed me  
to contact attorneys, advocate groups, my  
family when asking for them to contact  
these types of groups, they wont allow  
me to send visitation forms, or care  
package forms so my people can buy me  
hygiene and food, their reading my legal  
mail, and if that wasn't bad enough,  
their telling their informant

what I'm writing! There is no doubt that this is under the direction of Det. [redacted] and Miss [redacted] as this is the exact same pattern as when [redacted] was a [redacted]

My life has been placed in eminent danger! Again!!!

Mr. [redacted] is being fed information about me, his questioning me about not only my case, but on [redacted] he was riddling me with questions about my appeal! That's a violation of my 6th Amendment! That's the [redacted] time that [redacted] know of!

Mr. [redacted] is constantly trying to set me up and get me involved in crimes! [redacted] have proof of this!

Because [redacted] officials are reading my mail, legal and all, they've found out that [redacted] I'm not doing well due to my [redacted] so, again, [redacted] with the lead and direction of this view of corruption have me prepare and pulled out on [redacted] for a "visit" because they know that [redacted] I'm not doing well so they got my hopes and spirit up

Legal!

only to tear it down and say: "it was a mistake!"

Mind you, when someone wants to visit someone they have to call D.O.C., give the inmate's name and D.O.C. #, tell them the time and date of the visit, \_\_\_\_\_ has to check to make sure the person calling has been approved to visit me, and only then am I told.

This was not a mistake, they did this purposefully with a malignant intent!

Because judge \_\_\_\_\_ and judge \_\_\_\_\_ enabled these corrupt people to do whatever they wanted in the past, they knowingly gave them a green light to not stop!

to bully me so greatly in hopes that I'll cause harm to myself to get rid of the truth.

This is nothing short of conspiracy to commit, or aid in suicide / murder!  
Bullying is against the law!

I just want the record to reflect that if something happens to me, God forbid, these two judges had a hand in it, and if I am unable to testify:

I want them charged at the very least with bullying and / or murder.

This is what happens when you have corrupt judges turning a blind eye, when their not women or enough to do what's right.

It won't stop because no one has the courage to stop it.

The same goes for you at the Commission, you should of put a stop to this years ago. Instead you guys turned a blind eye for a pat on the back.

Thank you for doing nothing.

Sincerely
