**ORDER**

The complainant alleged that a justice of the peace yelled at him, would not allow him to make his case, improperly allowed him to be evicted, and had a conflict of interest.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: March 12, 2014.

AFTER being served with Eviction papers, on  
I paid \_\_\_\_\_ & Filed an answer and counterclaim  
(I appeared \_\_\_\_\_ time). In that document, I demanded a  
trial by jury. I appeared (\_\_\_\_\_ time) on  
I appeared the bench & again demanded a trial by  
jury. The judge started yelling at me, telling me that  
there is difficulty w/ jury trial for me. He wanted me to  
give him the info of my case & kept asking for  
a jury trial. The judge kept yelling (with numerous  
outbursts in courtroom). When he looked up & saw all  
the people in the courtroom, he told me to wait till  
all the eviction cases were heard. While waiting I  
realized that I had already satisfied the rule for  
having jury trial decided. I left. I was waiting for  
notice from court indicating case # for jury trial. Instead,  
on \_\_\_\_\_, the constable showed up at my door & demanded  
that I leave & not come back. It should be noted  
that while in front of judge \_\_\_\_\_ I indicated whom

Away with judge's ability + he did not have  
any evidence justifying his claims.

I also noticed that that judge + Attorney  
had some sort of working relationship that I do  
not share. My first time before judge us  
an attorney that files evictions cases per  
day before judge judge  
allowed him to file a false complaint + get a  
judgment.

I contend that both Judge + Attorney  
have committed crimes against me that sound in

- ① Obstruction of justice.
- ② conspiracy to obstruct justice
- ③ contempt of court
- ④ conspiracy to commit contempt of court.

Both Judge + Attorney should be arrested
