Honorable Commission of Judicial Conduct

My name is _____ and _____
My husband and I were sued by _____

over debt borned by the statutes of
limitations. I followed all litigation and law
procedures to have the judgement vacated. What
I came to realize is that this case was done in
the pretense that I was single. I have provided
proof of the discrepencies. In my opinion this is
unethical misconduct that discredited my reputation.
My husband and I both had to sign the court
documents to have the judgement vacated.
What I find to be unethical is that this judge sent
our family mailings to support him in office, and
make a judgement against his supporters. Our family
supported the _____ and I find that the
judgement against our family was inappropriate.
I believe that this is unethical misconduct.
