Instructions: You can use this form or plain paper of the same size to file a complaint. Please describe in your own words what the judge did that you believe constitutes judicial misconduct. Be specific and list all of the names, dates, times and places that will help us understand your concerns. You may attach additional pages but not original court documents. Print or type on one side of the paper only, and keep a copy of the complaint for your files.

I recieved a court summons few weeks ago and went to the court a week later with my paperwork and copy of divorce decree which another judge in family court order and awarded this debt that my ex-spouse owed. I feel that as a citizen that has been paying my debts in this decree that family court judge ordered has been treated unethical and unjustice from Judge for he didn't even give me a court date! Please review the divorcee decree because it's obvious this judge did not! I would like to know in this judge's eyes and the courts what is a divorce decree from family court? A piece of paper? I was told by your clerk at Precinct that I would have a court date, after I paid _____ dollars for the paper I filed, and then I get in the mail, the Plaintiff has the right to put a judgement on me and garnish wages! I am writing to _____ and also make this case public to newchannel or other sources of how mistreated citizens are!

Sincerely,

(Attach additional sheets as needed)
