**ORDER**

The complainant alleged that a superior court judge improperly refused to direct the court clerk to return a cash bond posted in a criminal case when no charges were filed against the defendant.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: April 2, 2014.

Print or type on one side of the paper only, and keep a copy of the complaint for your files.

For years plus I have been trying to get a cash bond posted by my father. Several things bother me about this case. I was arrested on a governor warrant that did not exist, I was made to post cash twice on same case and I continued to get arrested. The FBI had to get involved to ask why no hearings? They have changed the caption waiver.

Said they were never looking for me or order a cash bond why did county? (Twice?) The most insulting thing is they refuse to give my father his money back. (The law states who ever post bond should receive it back) Why not return money? Explain why caption changes? and (clerk) sealed case. I have provided plenty of evidence. Judge did not allow me to present evidence or make offer of proof.

Serial more #?? Why? Thank You
