COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 14-095

Judge:

Complainant:

ORDER

The complainant alleged that a justice of the peace and his court favored a particular attorney, and were thus biased against him and others similarly situated. The complainant also claims that judge and court verbally abused him as a disabled person.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: June 25, 2014.
