Disposition of Complaint 14-229

Judge:

Complainant:

ORDER

The complainant alleged a municipal court hearing officer imposed an illegal sentence.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the hearing officer engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the hearing officer's ruling. In addition, the commission found no evidence of ethical misconduct and concluded that the hearing officer did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

I was illegally sentenced outside of required events of Trial during what should have been the preliminary trial! There was no Bailiff, Court Recorder, ~~Stenographer~~, Court Reporter therefore it was an "Fraud of Trial!"

I wish Impeachment of said Judge & if proper reprimand isn't taken I'll petition for a Federal Senate Judiciary Committee that will as during my State Bar number assignment via the Deputy Attorney Gen. of During Attorney Gen. office in under Gov.

I swear the above true this day of

Fraudulent order was unsigned though! But, Docket states ended without so much as proper trial!
