COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 14-231

Judge:

Complainant:

ORDER

The complainant alleged a municipal court judge made an erroneous decision and improperly subjected him to an armed security guard escort on several occasions.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Accepted prosecution's long-form complaint approx after traffic stop on

Directives state that a citation will be issued, and the Admin Per se/Implied Consent Affidavit

I was never cited nor given documentation of the arrest or the shown alleged charges on paper.
The false detainment resulted in a compelled blood draw, and courts refuse a speedy

Assigned armed security guard to escort me at all times within the building. The guard allowed no privacy during meeting with public defender or at court clerk front desk. Was physically escorted twice, and once physically detained by the security guards without valid cause or request by any city employees.

Complaints to the judges went unanswered as well as requests to obtain a copy of Judge _____ orders to escort me at all times. Court says that they will not respond to my requests although security company confirmed that there is an "electronic notification" from _____ Courts requesting constant escort duty.
