**ORDER**

The complainant alleged a superior court judge misled her about whether the superior court had jurisdiction to review a particular administrative decision.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

REF: My Written Complaint on  
JUDGE

ON JUDGE JUDICIAL REVIEW OF ADMINISTRATIVE  
LAW JUDGE DECISION  
which was filed under  
AND E-MAILED

Approx JUDGE I WENT IN PERSON TO SEE  
AND HE EXPLAINED THE  
PROPER PROCEDURE OF THE JUDICIAL REVIEW  
IN WHICH WENT BACK IN FRONT OF  
which had made her decision on

From until I was told  
of updates by the clerk of judges  
Approx. ... this same clerk

said  
Judicial review

might not look at the

Approx  
Sum

I received the first reply  
SINCE

which you said no error in her  
performance which stated that the superior  
court didn't do this type of review

My complaint is that judge knew  
the court didn't handle this type  
of review but lead me to believe the  
court did SINCE

Now

UNTIL

never replied to motions and clerk  
hung up phone every call to her courtroom  
at this time. But your office said she  
didn't do any thing wrong  
Also Administrative hearing law,  
judicial decision on hearing the case.

stated court for one of  
my reliefs stating complaint for  
judicial review of Administrative  
law judge decision

And part of silencing is let Administrative  
hearing office know of silencing with  
court within days.

Not one judge office, let me know  
for almost 1/2 yr that the court  
didn't handle this under review.
