**ORDER**

The complainants alleged a superior court judge had been unfair to their son concerning his parenting time with his son, their grandchild.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

**FOR OFFICE USE ONLY****2014-267****COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

My family is law abiding, tax paying and morally responsible citizens. I waited  
 until \_\_\_\_\_ rotated off of the \_\_\_\_\_ on \_\_\_\_\_ to file this complaint.  
 \_\_\_\_\_ damaged our family beyond description, especially our grandchild's  
 loving relationship with her father. Instead of bringing families together, and  
 working towards a more equal parenting time (which is in the best interest of any  
 child), he sided and ruled totally with one side. \_\_\_\_\_ bullied and ruled  
 against the father - a good father who has no issues (always worked, owned a home  
 never any trouble with the law). \_\_\_\_\_ appointed court professionals, and when  
 their reports said there should be an even playing field regarding parenting time,  
 \_\_\_\_\_ took more time away from him. Some of the evidence presented was  
 reports for the mother and stepfather, along with Judge \_\_\_\_\_ ruling in the  
 stepfather's custody case of supervised visits for his child after \_\_\_\_\_ was called by  
 \_\_\_\_\_ at \_\_\_\_\_ who observed the treatment of our grandchild by  
 the mother and stepfather in the waiting room. \_\_\_\_\_ continued to take  
 parenting time away from the father, never once adjusting the mother's time.  
 The mother used every form of parent alienation and \_\_\_\_\_ seemed to  
 turn a blind eye to it. In fact, he empowered the mother. Hopefully, you are  
 aware of the grass-roots movement to lawfully remove \_\_\_\_\_ from the bench. Even  
 though he has rotated off of \_\_\_\_\_ our concerned citizen group is moving  
 forward with bringing to the public's attention \_\_\_\_\_ incompetence and  
 systematic destruction, as he saw fit, of many loving family relationships. I urge  
 you to review some of his \_\_\_\_\_ proceedings.
