**ORDER**

The complainant alleged two municipal court judges had not properly addressed his claim that he did not receive notice of a civil traffic ticket hearing held on September 20, 2000.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judges engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judges' rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judges did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.
