**ORDER**

The complainant alleged a pro tem justice of the peace improperly cancelled a probation status review hearing.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

## Judicial Complaint

To: Arizona Supreme Court: Commission on Judicial Conduct

From:

Subject: Judicial complaint against judge \_\_\_\_\_ in the \_\_\_\_\_ Court

Date:

On \_\_\_\_\_ I had a status review hearing in front of judge \_\_\_\_\_ in the \_\_\_\_\_ Court. As usual I attended this court hearing on time and proceeded into the court chambers at \_\_\_\_\_ that morning. Then, at \_\_\_\_\_ one of the court clerk's took me out of the courtroom and handed me the attached form saying that my court hearing has been rescheduled for \_\_\_\_\_. After receiving this form I was incensed.

The \_\_\_\_\_ Court is one of the worst run courts in the state of Arizona. Not only did I waste my time, my resources and lost my career due to these middle of the day court hearings. Over the last \_\_\_\_\_ years I have attended every single court hearing on time as required. These \_\_\_\_\_ court hearings have destroyed my career as \_\_\_\_\_ in an \_\_\_\_\_ because I cannot be in a \_\_\_\_\_ with of fighting bogus charges that have been settled out of court with the city of the \_\_\_\_\_ going back to \_\_\_\_\_.

\_\_\_\_\_ should have realized her schedule days before this hearing which she could not make. Therefore, I spent an entire day dealing with the court hearing that she had no intention of attending. Judge \_\_\_\_\_ unprofessional conduct cost me nearly half a day of my time wasted for hearing that she knew she would not attend. At the very least I should have been informed me days ahead of time when this court hearing was going to be canceled.

Judge \_\_\_\_\_ is a sexist and ignorant as Judge \_\_\_\_\_. The only reason why Judge \_\_\_\_\_ is a judge at all is because she is the "concubine" of \_\_\_\_\_ County Court Judge \_\_\_\_\_ who has \_\_\_\_\_ issues of his own. Due to my loss is a career as \_\_\_\_\_ based on the number of days I have to be out of my \_\_\_\_\_ to attend these bogus status review hearings over \_\_\_\_\_ years, I have had to take up a new career. I have recently published a book about my case naming names of the "idiots" who falsely arrested and then later convicted me in the \_\_\_\_\_ Court for the crime of domestic violence that I clearly did not commit. My book titled, \_\_\_\_\_

\_\_\_\_\_, can now be found on \_\_\_\_\_ for the

entire state and country to view the real problems in Arizona's judicial system. Released in this book are all the court records and police reports that detail how sexist this court is against men.

My second book that will be released in [redacted] titled, [redacted] will detail in number of other domestic violence cases handled by the [redacted] Court but also had no merit whatsoever. In the future book, I have plans to conduct an investigation on your own commission based on the records you have online. I bet the public would be very interested in how your commission fails to protect the public from sexist feminist idiots.

I "demand" that Judge [redacted] be sanctioned by your commission for her unprofessional conduct and not informing me of change in the court hearing costing me time, resources and additional stress attending a court hearing that she knew she was not going to attend. I am assured that if judge [redacted] is punished in any way than she could always go back into the arms of her husband, [redacted] a [redacted] County Court Judge, and crying her eyes out and have a sympathetic ear.

As requested by a "taxpayer"!
