COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 14-325

Judge:

Complainant:

ORDER

The complainant alleged that a superior court commissioner improperly denied her request to modify custody, parenting time, and child support.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Case No. 2014-325

Name:

Judge's Name:

There were many injustices in this case, . One of the most important was before the court hearing started on . The attorney, , tried to push me and almost knocked me down. I told the judge, that if had the court cameras on so could see the incident that had happened. The attorney's reply was that the cameras were not on and that couldn't waste time on that. That's when I started feeling badly, because I felt that wasn't going to be a fair judge in my case, and that's what happened. The other reason is that had my evidence under the desk and didn't have the opportunity to review my evidence.

That's the reason I need your assistance. I'm sending you a copy of everything I tried to do at the time, and they closed my case, the court wouldn't open my case. My filed a motion to dismiss petition to modify legal decision making (custody), parenting time and child support, and I answered with a motion to reconsider so that the judge would open my case, and it was denied, so I have no way to show how unfair they've been with me if they won't listen to me. I'm sending you a copy of this and I ask for your speedy assistance. I appreciate your help and I would like to get your assistance as soon as possible because I have a pending court hearing with this same judge.
