COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 14-381

Judge:

Complainant:

ORDER

The complainant alleged a superior court judge ignored evidence and entered an improper sanction against her in a family law proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

That get awarded to her. I get public assistance and obviously I cannot afford to have to pay to get my back. It's ordered for me to pay in full. I have held contempt ~~of~~ held against me for my own the judge and Attorney has made many false allegations which I will be suing for defamation of my character. The judge has also was full aware that judge had removed himself from my case because I filed a complaint on how he lied in my court documents and the Attorney also discussed this matter in the court room, I felt like animosity was held against me because yes I complained on the last judge but future decisions on my case should not be held against me especially for Attorney fees which there has not been a detail receipt of this amount provided to me. Thank you for your time.
