**ORDER**

The complainant alleged a superior court judge failed to make a presentence report part of the record in a criminal case to cover up the complainant's innocence.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judicial officer's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Judge has abused his  
Power as a sitting Judge. I am asking this  
Commission to investigate why? Did Judge  
hide the Presentence Report from the  
Court record. In the attached minute  
entry Honorable States he agreed  
with the defendant that the Should  
have been filed and made a part of the Court  
record, and that the same constitutes error.  
It is from here that I am filing this Complaint,  
I am attaching a copy of the  
minute entry, a copy of the I want  
this Commission to pay close attention to the  
P. 1. where the States according to the  
police defendant unlawfully  
entered High, and stole dollars.  
I am attaching a copy of Report  
as this Commission can see this Report does  
not mention anything about a theft or Burglary,  
infact it refers to some sort of Towing. This  
Commission reprimanded Judge for ex-parte  
Communication. I believe this Commission should  
review and even consider what further violations  
did Honorable Commit Commit

If Judge hid the presentence report because he knew Defendant was not guilty, as was alleged in a formal Complaint where this Commission reprimanded this Judge. This Commission should remove him from the bench altogether. If this Commission supports Judges sentencing people where there has not been a crime committed, I would then be inclined to ask where is Justice!! I am asking this Commission to remove Judge from the Bench.
