A judge is to be unbiased. Judge _____ favored the defense from the very first day of the murder trial!

Judge had no experience as a death penalty judge! Yet she was assigned a high profile murder case.

Day one she admitted, "I am not ready".

Why wasn't an experienced death penalty judge assigned to _____ case? Did the low life defense somehow choose Judge _____ because she has a pattern of giving life sentences to murderers and is incompetent?

The Judge allowed the defense to control "her" courtroom since day one of the case. She permitted many speaking objections by the defense, used to feed information to their defense witness on the stand.

Every few minutes the defense asked to approach. And the judge agreed. Again, and again!

_____ had to actually Help the judge because she didn't know what to do! In the murder trial the jury could not unanimously decide if _____ should get the death penalty. With a murder trial a trial of a very vicious heinous murder the judge did not give the dynamite charge - asking the jury to go back and try to get a unanimous verdict using the information I have given you.! After a couple of hours it was all over! Shortly after the verdict a man appeared saying he was a _____ he lied during _____ just to get on the jury so _____ would not get the death penalty. He had an agenda. He had a radio program and wanted to interview _____. Definitely this man adored _____ a convicted murderer. That _____ actually convinced _____ of the _____ to choose him as their _____. That man was actually working with the defense preparing for the penalty retrial. Why no jury misconduct charge?

There was a _____ delay before the start of the penalty retrial! _____ During that time Judge _____ and the defense met _____ many many times.

Those _____ meeting are sealed.

Judge _____ puts _____ up on a pedestal! But she puts _____ through extreme heartbreak and pain being in court everyday. Judge _____ during the penalty retrial allowed the defense to actually retry the case! In the past _____ was granted by the judge to defend herself and then she changed her mind.

She asked before the penalty retrial, and also asked for a delay so she could interview witness's. Judge did not follow the law you cannot allow a defendant to represent themselves after she changed her mind. The _____ is not permitted!

The defense says they have _____ that will not _____ in _____ court, they want to have _____ - no media, no public.

And the judge did what the defense wanted kicked out the media and the public. She allowed the _____ witness to testify with the jury and family. _____ witness testified for _____ and then the media attacked. The defense took it all the way to the _____ court. The defense expected a long delay but the _____ court denied the defense's motion in two days! The _____ witness was _____ when she could no longer testify in _____ she stop testifying. _____ did not get to cross examine her! She did not answer juror questions.

Shortly after the _____ was chosen Judge _____ asked for _____ to wait behind. in turned into yet another _____ meeting with Judge _____ & the defense and _____

Name: Judge's Name:

The defense requested in the courtroom for the penalty retrial. Of course Judge complied. She has shown the world whatever the defense wants, the defense gets. What wants

During the penalty retrial, she allowed the defense to repeatedly delay the case. At times only worked one day in the week. The judge told the jury the penalty retrial would be finished by the middle of I remember jumping up and saying the defense never agreed to the of We feel it will be over in That is when the penalty retrial was over

Judge ignored the jury's rights. They put their lives on hold to serve as jurors. Many times they would come to court on time, ready for a day's work only to be told there will be no court today. family were in court every single day. They all live in They would travel to go to the court room and the judge would say no court today.

Absolutely no consideration for family or the jurors!

Judge acted as if she was getting paid by the defense, a very active member of the defense! But I know the truth is she is paid by the state of Arizona.

Judge treated very badly during the entire case! He had to

fight for everything he was able to gain.

It will be Judge decision. She will be sentencing to life without parole OR 25 years minus time served.

Everyone fears she will do as she always does, put up on that pedestal and sentence to

I did call the Arizona office asking if the governor could STOP Judge from sentencing I was told no.

Did you know when was arrested at home in the police found a and a in her She was on her way TO

I wrote a personal letter to Judge asking her to sentence to life without parole and my reasons why.

 is a and if released from prison she will kill again!
If sentenced to less time served will live the rest of their lives in fear!

I can recall during the guilt phase of the trial would go thru the motion of while looking at she did this several times. She also gave him the during the guilt phase of the trial.

I know that Judge was aware of what was doing in "her courtroom"!

What did to was horrific! screaming, blood everywhere. She almost him. then him above his drug into his shower & she took a shower with his dead body. She tried to get his blood off but there was just too much blood. She left his body sitting up in that shower stall. As has said, left to rot!!

 did deserve the death penalty and agreed, but there was that The I wonder how much money Judge was paid to keep that on that jury?

I feel all of her sealed documents, and all those meetings with the defense should all come out for the world to see!

I feel Judge should be impeached.

thank you
