**ORDER**

The complainant alleged a justice of the peace made an improper ruling in an eviction proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

On \_\_\_\_\_ I was in \_\_\_\_\_ court to evict my tenant  
 Judge \_\_\_\_\_ heard some of the case. He never looked at the lease contract or any other evidence. He told Ms \_\_\_\_\_ she did not have to pay me as I was in a bankruptcy. After several months the bankruptcy judge (as he shook his head) signed the authorization to evict. On \_\_\_\_\_ was evicted from the property and has a judgment against her as the judge that heard the case the second time actually took the time to check laws, contracts etc. Ms \_\_\_\_\_ for \_\_\_\_\_ in my home without paying a dime the home which is now in foreclosure has been destroyed with holes punched in all doors. \_\_\_\_\_ and \_\_\_\_\_ was thrown all over bedroom carpets. \_\_\_\_\_ is all \_\_\_\_\_ and \_\_\_\_\_ Old food, garbage and paint have been thrown all over carpets along with the removal of all wallpaper the changing of paint colors and even painting the \_\_\_\_\_ cabinets. The pool filter and pump are destroyed and the pool was filled with \_\_\_\_\_ and had to be drained. Pool fencing was torn off the walls and out of the ground and did I mention everywhere?

Thank you \_\_\_\_\_ for not bothering to check the laws and not worry about your lack of knowledge destroying a family and all of their memories. Is this the reason why there is no recourse against judges? At least they should know the law or consult someone that does.
