**ORDER**

The complainant alleged a superior court judge was improperly denying her filings.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. In addition, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

### INSTRUCTIONS

Use the following space or plain paper of the same size to explain your complaint. Explain why you believe what the judge did constitutes judicial misconduct. Be specific and list the names, dates, times, and places relevant to your allegations. Additional pages may be used and relevant copies of documents may be sent with your complaint (please do not send original documents). Use one side of each page only and write legibly or type your complaint. Please keep a copy of your complaint for your records.

I have filed motions to this judge on this case that I never have been served. I found today that a process server filed a by she lied to the court.

Judge will not acknowledge  
this at all and denied my filings
