First off, when i go into a court room and the judge has an ego about his empowerment because it is his courthouse; how is it consider to be a fair judge, more or less honorable? Secondly, my rights were never surrendered nor did i agree to surrender my rights, nor was i told that when i walked _____ court room that i surrendered my rights. Thirdly, how can a trial be one sided argument, when the plaintiff witness commits perjury within testimonies, meanwhile, i, the defendant brought to his _____ attention of the lie and it was dismissed. Fourth, when the plaintiff witness, a female, showed a sad and scared emotion to show that the defendant is evil, and bringing up information about racism, that not only i had proof that is was not true; your own COURTS dismissed a case against me brought on by the owner of the company stating i was racist. So not only the case was dismissed in my favor, because the defendant never showed up. When he didn't show up the first one, i immediately went and filed a _____ him, and it is still pending. It was never served because he was never available or around, because he is never available and around.

I was never given a "FAIR" trial because _____ prejudice me before my case was presented based on my what i wore in clothes. Wearing, shorts and t-shirt. Show because i wear that, it gives _____ the right to not only "VIOLATE" my civil rights, but to be "ABOVE THE LAW"! I am livid, that is unacceptable, because if he is above the law, then so am i. You cannot put a plaque on the wall in the court room stating, "IN GOD WE TRUST" and then judge me based on a personal agenda, rather than doing his job title of an impartial, unbiased judge and equally listen to both parties. I was never given that opportunity, just as a bias person to pass a judgment against me and that will in turn affect my credit report, yet again by, you guessed it; the GOVERNMENT! So now i will have a thing showing i was evicted.

Now here is the kicker, and _____ never put two to two together because he was preoccupied on hurry up this UNFAIR and speedy trial because i didn't wear a suit with a tie; i say that because two cases prior, _____ commented on the guys outfit , that he looked good in it. You can take that anyway you want, but the fact is, it happened! I have submitted an application to a _____ called _____ to rent a _____ with a _____ Within a few months, things needed attention to the point of major failures including _____ to fail along with _____ issues. . So besides doing their job, they will retaliate by posting _____ notices, up until i got a _____ notice of _____ Instead it says month-to-month.

So all of sudden, my _____ turned into a month-to-month lease. Supposedly this was posted on my door _____ Stating my _____ of the _____ and need to be vacated my _____ So, whomever is reading this, what did you learn here? Hmm, still pondering. _____ trial time at _____ a notice that i am being sued by my _____ to have me evicted. What? The MONTH wasn't over! there is _____ I thought you were given a _____ wonders the person reading this? I respond, i know; now you can see why i cannot trust your system, especially having a "FAIR" trial. With that being said, the plaintiff was awarded judgment, and i was forced to either pay or get out. Unbenounced to me, which _____ neglects to mention is the fact that this shows up on my credit report as an eviction. Meanwhile, the documents i have to prove what i said dictates indifferently of what the "TRUE" outcome was. If i have a document that states one thing and another document that conflicts with the original binding agreement document, why is that dismissed in court? In fact, a lot of my factorial documents to defend myself, was inadequate to this ignorant judge that you call Honorable! Not only the _____ playing games, literally harassing me to the point of harassing me with an _____ that i was served, but he never followed through with it to validate is reasons; in other words it was like he filed a false police report. I know that this doesn't change the outcome, but it will surely bring to light the incompetence of _____ as a judicial judge. I will give necessary documents accordingly; because i will eagerly await your response, because once you start disciplinary actions, i will pursue a large civil lawsuit to your judge and the state of arizona! Why, because if have no rights, then your system does not exist! Oh, did i mention the same company that, took me to court, you know, this case here; i filed a _____ against them was awarded a judgment _____ Now i have my own problems of _____ because you know i will be charged _____ with my _____ don't pay on time, but yet a company can do whatever when they have to pay. Unlawful practice within the company allowing illegal activities to continue even when i tried to bring it to attention. Interesting when i bring up the same issues i wrote here, yet small claims. Hmm, i am a bit curious on what the hell happened here, because i will admit _____ made a mockery of his own courtroom and the judicial system that he is suppose to uphold with due diligence and competence while residing in the state of arizona. I expect something to be done. Otherwise this is proof of the hypocrisy within the government. P.S. Also have the
